THE REPUBLICAN.

LOUAL DEPARTMENT The election in this township on Monday passed off very quietly. A very light vote was cast. The

No. 29 was elected by 6 majority. 'The Demo-

crats elected the balance of their ticket by a redu-

ed majority.

Col. K. G. Shrvock was in town on Saturday looking as fresh as a daisy, and as though he enjoyed the compliments of his new Copperhead friends hugely, much more, indeed, than he did the joke which some of the boarders at the Edwards House attempted to play off on him at the breakfast table, in trying to get him to sweeten his coffee with salt instead of sugar. He thought such jokes might do very well to play off on regular boarders, but guests could not appreciate them. He ought to have had all concerned in the diabolical plot arrested on the spot.

Soldiers Families and Taxation.

Under the caption of "War Widows," the wor thy Trustee of this township publishes a communication in the last Democrat, which contains information of some importance to soldiers wives and children, the material portions of which we copy below for their benefit, as very few of them will ever see it in that sheet or hear of it through the medium of its renders. Why he styles the wives of soldiers without discrimination "war widows" we cannot exactly understand, unless he thinks they ought to be for letting their husbands enlist, or because he thinks it most appropriate.
